

Discovering, walking, cycling...

The Tourist Offices of the Puy Mary's « four Land » (Murat, Riom-ès-Montagnes, Salers and Aurillac) invite you to discover the Cantal massif thanks to their free welcome guides.

To enable you to explore the volcano, the "Syndicat Mixte du Puy Mary" maintains 350 Kms of walking or cycling paths. Moreover, each land publishes a topographical guide to describe marked trails : length, difficulty, map, outstanding elements.
